

## January 31<sup>st</sup> – February 1<sup>st</sup> 2023

Can you remember the last Swiss Virology Meeting in February 2020? And after this meeting, the covid-19 pandemic spread all over the world.

The next **Swiss Virology Meeting** will be held in Bern on **January 31<sup>st</sup> - February 1<sup>st</sup> 2023**. It will be a great place to share again all the knowledge gained during the last three years. It will be an excellent opportunity to promote again interactions between virologists, exchange of ideas and start collaborations in an informal and collegial atmosphere.

Hopefully you will be part of it! Looking forward to seeing you there.  
Please visit our webpage to register and submit your abstract !

<http://swissvirology.ch/>

The deadline for registration/abstract submission is on **December 15<sup>th</sup>, 2022**
