

SSM Club of Microbiology

Save the Dates 2026

Dear Members,

Following its successful launch in 2022, the SSM Club of Microbiology is preparing an ambitious new program for 2026.

Over the past years, the Club has developed into a valued platform for scientific exchange and networking within the Swiss microbiology community.

Outlook for 2026

The 2026 program will once again include:

- Several **themed webinars** throughout the year
- One **full-day SSM Club of Microbiology meeting** in June

More information on registration, topics and speakers will be communicated.

Save the Dates

You can already book the following dates in your calendar:

- **Wednesday, 18 February 2026** – Webinar from 12:00 PM to 1:00 PM (noon–1 PM)
- **Wednesday, 18 March 2026** – Webinar from 12:00 PM to 1:00 PM (noon–1 PM)
- **Wednesday, 20 May 2026** – Webinar from 12:00 PM to 1:00 PM (noon–1 PM)
- **Thursday, 11 June 2026** – Full-Day SSM Club of Microbiology Meeting
- **Wednesday, 16 September 2026** – Webinar from 12:00 PM to 1:00 PM (noon–1 PM)
- **Wednesday, 21 October 2026** – Webinar from 12:00 PM to 1:00 PM (noon–1 PM)
- **Wednesday, 18 November 2026** – Webinar from 12:00 PM to 1:00 PM (noon–1 PM)
- **Wednesday, 9 December 2026** – Webinar from 12:00 PM to 1:00 PM (noon–1 PM)

We look forward to welcoming you again in 2026 for another year of stimulating scientific exchange within the SSM community.

Kind Regards,

The SSM Club of Microbiology organisers

Prof. Jacques Schrenzel, Prof. Gilbert Greub, M. Reto Lienhard
